

## **Newport Beach Fire Department Community Emergency Response Team (CERT)- Spring 2015 CERT Program Schedule**

The Newport Beach Fire Department invites residents to join the Community Emergency Response Team (CERT) program to learn how to help their neighborhoods following unexpected disasters. The CERT program is available free of charge to Newport Beach residents and \$40 for non-residents.

For spring 2015, there will be three separate CERT program series held: a Tuesday-Thursday evening program, a Thursday day program and an all-day Saturday program. Participants must register to attend one program but may take classes from the other programs if they miss classes during their registered program. All classes are held at Newport Beach Fire Station #7 (20401 Acacia). To register, you must complete a CERT program application. Applications are available at: [www.nbcert.org](http://www.nbcert.org) or call (949) 644-3112.
